Dear Professor ji

Greetings from the Ministry of Education, Government of India.

The Govt. of India is keenly and actively promoting Swachhta at all levels. Mahatma Gandhi National Council of Rural Education(MGNCRE) is the nodal agency for implementing Swachhta Action Plan under the directives of the Ministry of HRD and will be covering all higher level education institutions in Chhattisgarh. MGNCRE desires your institution to be part of Swachhta initiatives as laid down by the Ministry of HRD towards achieving the sustained practices of:

- ✓1. Sanitation and Hygiene
- ✓2. Water management
- ✓3. Waste Management
- ✓4. Energy conservation
- ✓5. Greenery of the Campus

The following activities are expected to be undertaken by your esteemed institution:

- i. Implementation of the aforementioned five parameters of Swachhta
- ii. Fill Sustainability Index Performa
- iii. Prepare at least one success story

These activities will allow experimental learning for students of Higher Educational Institutions which are going to initiate Social Entrepreneurship, the Manual for which has been developed by MGNCRE, Ministry of Education. The deliverables will allow active involvement in the implementation of the program to ensure achievement of targets set for the Campus. In this regard, we are taking your concern in participating in this program to finalize the activity plan for the year.

Our District Resource Person Dr. Vijay Laxmi Naidu Ph no: 7000619219 email – tusharajen1@gmail.com will visit your college on 08.03.2022 at 12:00 Noon for Swachhta Action Plan Workshop.

We request you to kindly identify a Nodal Officer from your Institution who can join us in the way forward with this programme and also act as single point of contact.

Your cooperation is solicited.

Warm Regards

Dr. M. Roy

**A National Webinar on
"Green Energy and Sustainable Development"**
May 10th to 15th 2021
Organized by
Internal Quality Assurance Cell of the College & Faculty of Science

Energy demands are increasing enormously. Our dependence on fossil fuels has not only depleted their reserves but also has caused negative environmental impacts. To keep pace with the development, it is necessary to restructure the energy sectors. Green energy appears to be the most efficient and effective solution for the sustainable development, so that along with socio economic development we can bring a curb to the catastrophes caused to climate. This lecture series has been planned to provide a multifaceted perception on renewable energy resources and their role in climate mitigation.
