

Human Values and Professional Ethics

Handbook

INDIRA GANDHI GOVT. ARTS AND
COMMERCE PG COLLEGE
VAISHALI NAGAR

Introduction

Education and human values are two side of the same coin. We all know education without human values is meaningless . Hence, today education doesn't only mean inheriting academic knowledge, but it focuses on inculcating human values and ethics. Hence the institution not only stress on imparting knowledge but orientation of total personality , so that the students moles out to be a better human beings . Accordingly, it is considered necessary that there should be a code of ethics which may be evolved by the teaching community itself for its guidance.

- • To ensure that the students develop an affinity for environment, nature and in totality, and concern for the biodiversity.
- • To inculcate admiration, respect and love for the nation and also to ensure the empathy for Chhattisgarh and its culture in the mosaic of Indian culture.
- • To promote skills so as to meet the needs of successful career & employability.
- • To give a platform for academic intelligence, creativity and physically energize them through sports so as to strive towards total physical development.

IMPORTANCE OF HUMAN VALUES & PROFESSIONAL ETHICS

Human values tend towards inheriting those values by which the student can develop love, compassion, care, loyalty and truth. Human beings has been bestowed with intelligence , power to think, exercise its mind and if they develop human values can not only develop themselves into the best version of him/her but can also turn this world into a better place to live in.

Professional ethics are the set of rules that are mandatory for a particular profession, so as address them as ethical. A profession code of ethics outline teachers primary responsibilities to their students and defines there role in a student's life. Hence it's quite necessary for an educator that he/she must demonstrate impartiality, integrity and ethical behavior not only in classroom but throughout his teaching profession. We should remember that student idolize them, follow them , hence they should

perfume and stand out in a dignified manner in their conduct and habits .

Code of Professional Ethics

introduction

Codes of professional ethics are often established by professional organizations to help to, to guide teacher's in performing their job functions according to sound and consistent ethical principles. Professional ethics is nothing but a code of conduct applicable to different professions and is set up by the expert members of organizations.

Professional ethics are accepted standards of personal and business behavior , values and guiding principles. Professional organizations necessarily include components like integrity , honesty , transparency , respectfulness towards the

job , confidentiality , objective etc. in their code of conduct.

Professional ethics followed by the institution

1. To be a responsible/dutiful teacher's .
2. To make continuous professional growth by study and research.
3. Participant at professional meetings , seminars, conferences which contributes toward knowledge.
4. To perform duties other than regular teaching such as co-curricular and extra curricular activities with dedication.
5. Co-operate and assist in carrying out function other than teaching as assigned by like – admission, examination, invigilation and evaluation with sincerity
6. Deal justly and impartially with students regardless of their religion, caste, political economic , social and physical characteristics.

7. Inculcate among students scientific outlook and respect for physical labour and ideals of democracy, patriotism and peace.
